The tome is 4th-level and has the occult trait, so you set the DC of an Occultism check to Identify the Magic to 19, based on Table 10-5. As noted in Identify Magic, other magic-related skills can typically be used at a higher DC, so you might decide the check is very hard for a character using Arcana and set the DC at 24 for characters using that skill. If a character in your group had ...

Modeling the skills involved in making well-informed and positive choices, teachers need to reflect in real-time. Concurrently, teachers must set clear learning goals and help students understand that the choices they can make are within the context of the learning goals set by the teacher. Students learn that they can be successful if they meet clear performance requirements. When students ...

The Hippies are easily recognized by the intellectual exclusion of commoners by their use of vocabulary. Their fabulation is reaching into space and virtual reality to predict the future. They are now courting superstition with a G_D much greater than Man, ruling our destiny without people being able to change their own destiny. A world view totally segregated from reality. Today the Hippies ...
