For internal customers, we can align the D&I scorecard with, for example, a procurement scorecard by linking to these indicators: Supplier satisfaction, % Supplied compliance index, % Internal Perspective. Looking at the expected benefits of diverse and inclusive business environments, we can formulate these goals: Diversity and inclusion: Transparency of hiring; Effective innovations; Let's ...

[HR Human Capital & Workforce Metrics Formula Guide](#)

It can be argued that the HR person is then motivated to hire great salespeople, and to ensure proper training and rewards are in place (Kaufman, 2006, p 30). The thought is in the right place here, as companies become bureaucratic and ineffective when metrics are not aligned - when each department is working towards separate goals. However, when people are measured by things that are ...
